Grafting Vegetables
Hands-On Workshop
February 20, 2015
9am –12pm
WSU Mount Vernon NWREC

Led By: Dr. Carol A. Miles and Patti Kreider
Vegetable Horticulture Program, Department of Horticulture, WSU
• Learn how to use the splice-graft technique to graft tomato and watermelon successfully.
• Participants will use common rootstocks for each crop and will graft 6 plants of each crop which they can take home to heal ($48 value).

All grafting materials will be provided. Participant supply list will be emailed upon registration.

Registration Cost
By January 28, 2015 - $50 per individual; $75 per pair/couple
Late registration - $70 per person
